

Emergency Evacuation Plan

In the event of a fire, call 911 or _____

Use the space below to create your emergency evacuation plan.

- ❖ Draw a floor plan showing all doors and windows.
- ❖ Use arrows to mark two routes of evacuation from each bedroom. One route must lead directly to the outside.
- ❖ If you have special evacuation equipment, such as a rope ladder, the location of the special equipment must be specified on the floor plan.
- ❖ Identify a meeting place outside where everyone can safely meet and be accounted for.

Grid area for drawing the emergency evacuation plan.

The National Fire Protection Association recommends that you practice your emergency evacuation plan at least twice a year!
